Everyday life is full of challenges. We feel the same way.

The problems we face can be varied and complex, often impacting on our happiness. Whatever the situation may be – we are there for you.

Profession & Workplace:

- Workload
- Conflicts
- Dealing with structural changes

Stress & Exhaustion:

- Depressive moods
- Sleep disorders
- Addiction and dependency
- Dealing with illness, death and grief

Family & Partnership:

- Partnership topics
- Family and friends
- Parenting and care issues

Personality:

- Time-management and self-management
- Social skills
- Self-confidence

Leadership:

- Dealing with employees with mental health issues
- Tensions and conflicts in the team
- Leading in change processes

And many other topics relating to your private or professional life.

**Talking helps.
We help further.**
